

## Time left

## Haven't told

## Team forming

Based on the current burnrate how long will the budget still last

What is the biggest thing we haven't told the customer.

How well is the team working as a team and how could it be better?

## Disappointment

## Cancelled

## Feedback

In what way have we most disappointed the customer?

If the customer would decide to cancel the project what would be the reason?

What is the most relevant feedback have we received from the end-user so far?

crd-437

crd-438

## Value driven

## Backlog

## Constraints

Are we working on the most valuable item?

How happy are we with the backlog? How can we make it better?

What is the most significant change in the constraints since the beginning?

*Budget, scope, schedule*
