Business case

Are we currently ahead or behind our expectations from the beginning of the project.

Think about budget, scope and schedule.

Why should we continue with the project

Compared to the beginning, what has changed in the customer's business case?

Team changes

Surprises

Happy customer

What is the difference between the onboarding of original team members vs those who joined later on?

What has been the biggest surprise in the project so far?

Is the customer happier than at the start of the project?
